

The background of the entire page is a dark, atmospheric illustration. At the top, a large, bright full moon hangs in a dark, cloudy sky. Below the moon, the silhouettes of various trees and foliage are visible against the dark background. In the center of the image, a figure wearing a long, flowing red cloak with a hood stands with their back to the viewer, looking towards the moon. To the right of the cloaked figure, a small, light-colored basket is visible. In the bottom right corner, the head and shoulders of a grey and white wolf are shown, looking towards the left. The overall color palette is dominated by dark blues, greys, and blacks, with the red cloak providing a strong contrast.
